

EPI•STEM SCIENCE EdNeT

Science Education Reading Group – Along The West Coast

You are invited to our monthly **EPI•STEM SCIENCE EdNeT** reading group for those with an interest in science education in the School of Education, in UL and in Higher Education Institutions along the West Coast. Our aim is to provide a forum to network, share and intellectually debate the published work of group members. **EPI•STEM SCIENCE EdNeT** will offer new opportunities for science educators to build strong partnerships for new ambitious joint research funding bids.

Please note the dates/times in your diary of the first of the **EPI•STEM SCIENCE EdNeT** reading groups. We will be back to you with further details nearer the time. We look forward to meeting you. Please RSVP to this invitation by contacting our Executive Administrator Helen.Fitzgerald@ul.ie
