Saturday, October 15th, 2022

A day activity	ChemEd Ireland , Irish Science Teachers Association National Conference (Sat)	Location: TUS Moylish Campus
----------------	---	------------------------------

The ESTA workshop program has been developed collaboratively by the School of Modern Languages & Applied Linguistics; SSPC, the Science Foundation Ireland Research Centre for Pharmaceuticals, School of Natural Science, Bernal Institute; EPI•STEM National Centre for STEM Education and School of Education University of Limerick.

LOCATION AND TRANSPORT

The ESTA meeting will be held **in person** in the **Analog Devices Building, Bernal Institute, University of Limerick**, this is where we will meet on the morning of the **13th and 14th of October**. Details on public transport links on and off campus can be found [here](#). The University of Limerick has a wayfinding app, to help you find your way around the campus, and to our venue. This is available on both Android and Apple ios systems. Please download here: <http://www.ul.ie/buildings/travel/car/ul-wayfinding-app> from the UL site or alternatively from the iTunes Apple store or Google Play store, if you are unfamiliar with the campus.

We are a **green campus at UL** and as such there will be **water filling stations** available around the buildings so, please bring your reusable bottle.
